THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Evidenced by a packed house Monday night and a house almost as large last night and the generous applause afforded them, the Lyceum Comedy Company is surely pleasing the patrons at The Washington and is spoken of on all sides as one of the best repertoire shows that have been here. Tonight the comedy drama, "On the Stroke of Twelve," will be presented and an entire new line of specialties. Ladies free under the usual conditions, if seats are reserved at Ray's before 7 p. m. At the box office 10, 20 and 30 cents to all.

MAGGARD—JONES.

Mr. Charles A. Maggard, aged 21, and Miss Ethyl M. Jones, aged 21, both of Fleming county, were married in the County Clerk's office last evening, Rev. Dr. John Barbour officiating.

Mr. and Mrs. Jones in their search for conubial bliss first drove to West Union, O., in a double rig hired from one of our city liverymen.

They failed to secure license at the capital of Adams county, because they refused to swear they were residents of the county.

In their eagerness to reach this city to get married, the horses were driven at such a hot pace that one has since died and the other barely is alive.

Mr. Harry Robinson has moved from Fifth street into apartments over his grocery in Market street.

THAT'S NOT NEWS

How The Ledger Man "Stumped" the Police Court Judge

"What's the news, Judge?" asked The Ledger Man yesterday as he braced up in front of Judge Whitaker.

"Well, you're just in time," was the Judge's cheerful reply: "Dick Watkins, Nat Geis and Tommy Kain have just been sent to Jail for being drunk."

"Why, Judge, I asked for news," said the Scribe.

And when it is stated that two of those named have been Jailed twenty-six times apiece for the same offense during the present year, it must be admitted that the Judge wasn't giving out gilt-edged information.

Tedious home work with wearisome pedaling of the sewing machine has small chance in competition with steam-driven sewing machines that make from 1,200 to 2,000 stitches a minute. That is why sheets and pillow cases, ready-made, cost so little more than the plain muslins.

AND now Colonel WHITE BURLEY HAWKINS has moved his movable "last date" up to September 20th. On that day the Tobacco Growers Association is to become a howling success, without the slip of a single cog—according to this modern Colonel SELLERS.

BETWEEN the medical experts and the astro-nomic sharps, it's hard for a poor sinner to find out what he must do to be saved. The Doctors tell us that the mosquito bites you with yellow fever, and now Prof. PICKERING of Harvard says that 'way back yonder a few million years the moon seceded from the earth, leaving a hole which was afterwards filled with water and which is now called the Pacific Ocean. Perhaps this is where our Southern friends got their precedent for seceding from the Union.

THE new Anglo-Japanese Treaty of Alliance which has been signed binds either Power to come to the assistance of the other if attacked by one, instead, as in the old treaty, of two Powers. The London Daily Telegraph, representing the views of the Government and well reflecting the opinions of a majority of the newspapers, in an editorial says—

"The new Anglo-Japanese Treaty will guarantee the terms of the Portsmouth Treaty. It will check any insane idea of Russian advance, will render impossible any anti-Japanese coalition, and effectually terminate the scramble for China."

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup." "The time-worn injunction, 'Never put off 'til to-morrow what you can do to-day,' is now generally presented in this form: 'Do it to-day!' That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

The merchant who wishes to reach people who buy goods, puts his advertisement in a paper that people read; the merchant who throws his money away, gives his advertisement to the fakir who promises to put it on a card and hang it up on a street corner. Not less than 5,000 people read THE LEDGER 312 days in the year. This makes a total of 1,560,000 readers in a year. Do you want your name and business repeated that often within the next twelve months?

WARRANTS ISSUED For Two Men Charged With a Most Serious Offense

Warrants have been issued from "Squire Dresel's Court for the arrest of Sam Brevard and Mackey Hughes, on a most heinous charge.

Both are married men and reside in the upper portion of the county.

They are charged with entering the home of a Mr. Jones who resides in the Sixth Ward—knowing that the man of the house and his wife were absent—and attempting to outrage a sixteen-year-old girl by the name of Tully, and would probably have succeeded in their purpose had it not been for the heroic fight of the girl and her twelve-year-old brother.

The antics of the children frightened them and they beat a hasty retreat.

The girl recites a pitiful story of how she was mistreated. The warrants are in the hands of the Sheriff and it's likely the accused are now in the clutches of the law.

HAPPILY MARRIED Two Young Fleming County Hearts Now Beat as One

Rebecca Jackson is the comely, sixteen-year-old daughter of Oscar Jackson, a well-to-do farmer who resides some two miles from Beechburg in Fleming county.

Sunday the young lady accompanied her uncle and aunt, Mr. and Mrs. T. D. Dearing, to this city on a visit to Mr. and Mrs. John Denton of the Sixth Ward.

William Thomas, a likely young man who was in the employ of the girl's father, had wooed and won the unsophisticated beauty, and when the visit to this city was contemplated they also laid plans to outwit the old folks, who were decidedly opposed to their marrying on account of the tender years of the young lady.

Mr. Thomas followed his innamorata here, and securing a buggy they drove to Portsmouth, where they were married, returning to this city yesterday.

Of course, it will end by parental forgiveness as it should, and ever after all will be peace and happiness. At least, it is hoped such will be the final.

The BEST Bread! Can only be made out of the Best Flour. No meal is fit to sit down to without it. I am prepared to furnish my trade the season through the very best flour that can be manufactured. It is PERFECT. I have sold it continuously for sixteen years and have never made a change. My competitors are changing every year, which is proof that they are not satisfied with the flour they sell. The manufacturer of this flour writes me under date of August 3d as follows: "If you were pleased with Perfection last year, you will be more than satisfied with it now. We thought we had good wheat last season, but our wheat this season is the finest we have had for years." For a limited time I am going to sell this FINE FLOUR at the extremely low price of \$5.00 Per Barrel Spot Cash. At this price you should buy a supply for the season. In fine Hams and Breakfast Bacon I have no competition. The large and increasing demand for my famous RED CANVAS HAMS and BREAKFAST BACON is proof of the superior quality of the meats. Buy only the STAR BRAND in RED Canvas cured from selected young fat hogs, specially for my trade. My PURE LEAF LARD is rendered from the same class of hogs and nothing better can be made. For summer lunches I have a full supply of everything in that line. I sell the famous "Beech-Nut" Bacon and Dried Beef in glass. It is fine. Sardines, Cove Oysters, Deviled Ham, Deviled Tongue, Deviled Chicken, Potted Ham, Tongue and Chicken, Salmon, Baked Beans with Tomato Sauce, Pickles, in fact, every article necessary for a most tempting summer lunch. I have a big supply of Tin Fruit Cans and Glass Jars that I am offering much below their value. Don't buy until you get my prices. My purchases for the fall and winter trade have been unusually large and as nearly every article has materially advanced I shall be in position to give my trade some extra values at low prices. I am still selling the finest blended Coffees at 15, 20 and 25 cents. In Teas I sell the finest offered in Maysville. My stock of Vegetables of all kinds will at all times be the freshest and best. All kinds of fruits in season, Flour, Butter and Eggs. If you want to buy the best come to my house. If you don't want to buy come any way. You are always welcome. R. B. PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. SHOULD SEE TO IT

That Their Sunday-School is Represented Friday at Hebron

The Pastors of the Churches of Maysville and Mason county should see to it that their Churches and Sunday-schools are represented at the County Sunday-school Convention, which is to be held at Hebron Church, near German-town, on next Friday, September 15th.

Some of the most capable Sunday-school workers of this section of Kentucky will be present and deliver addresses.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THE CHANGE OF LIFE

INTELLIGENT WOMEN PREPARE

Dangers and Pain of This Critical Period Avoided by the Use of Lydia E. Pinkham's Vegetable Compound.

If her system is in a deranged condition, or she is predisposed to apoplexy or congestion of any organ, it is at this time likely to become active and, with a host of nervous irritations, make life a burden.

At this time, also, cancers and tumors are more liable to begin their destructive work. Such warning symptoms as a sense of suffocation, hot flashes, dizziness, headache, dread of impending evil, sounds in the ears, timidity, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and incontinence are promptly heeded by intelligent women who are approaching the period of life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound is the world's greatest remedy for women at this trying period, and may be relied upon to overcome all distressing symptoms and carry them safely through to a healthy and happy old age.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism, and builds up the weakened nervous system as no other medicine can.

Mrs. A. E. G. Hyland, of Chester-town, Md., in a letter to Mrs. Pinkham, says:

Dear Mrs. Pinkham:—
"I had been suffering with falling of the womb for years and was passing through the change of life. My womb was badly swollen. I had a good deal of soreness, dizzy spells, headaches, and was very nervous. I wrote you for advice and commenced treatment with Lydia E. Pinkham's Vegetable Compound as you directed, and I am happy to say that all those distressing symptoms left me, and I have passed safely through the change of life a well woman."

For special advice regarding this important period women are invited to write to Mrs. Pinkham for advice. It is free and always helpful.

A badge of "Pressman's Union No. 11, Cincinnati, O.," surmounted by a roller, was found among the debris of the "shacks" burned in Market street a few years ago. The rest of the tramp is thought to have escaped.

HAPPY WOMEN.

Plenty of Them in Maysville, and Good Reason For It.

Wouldn't any woman be happy, After years of backache suffering, Days of misery, nights of unrest, The distress of urinary troubles, She finds relief and cure?

No reason why any Maysville reader Should suffer in the face of evidence like this:

Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. James Wood & Son's Drugstore I was troubled with severe spells of backache and kidney complaint, which came on every three or six months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills has never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
